Gala Openings Launch New Business Firms

The weekend was a busy one for Joshuans and out of town visitors as they were welcomed at the grand openings of Garry's Shell Service and Sylvia's Snack Bar on the Hiway. The newly constructed buildings that house the ventures are attractive additions to the business district.

Garry's Shell station was gaily decorated for the occasion with strings of pennants in the red and yellow Shell colors. In the office bright colored flowers sent by A. N. Nelson, Shell distributor, gave a festive atmosphere. Mr. and Mrs. Bob Garry were on hand to welcome the patrons and well wishers and to present gifts. For the youngsters there were carnival balloons in yellow and red. The grown ups received souvenir cans of handy oil to help make their households run smoothly.

Between dispensing gasoline and servicing cars in the lubratorium Manager Bob Garry was busy showing the new equipment and the products offered in the salesroom to the visitors. All day Saturday and Sunday the Garry's received congratulations and best wishes.

Mrs. Lois Cobb of Los Angeles, owner of the business property occupied by the Shell station, was unable to attend the opening because of illness in the family.

Sylvia's Snack Bar opened its door to the public at 11 o'clock Saturday morning and continued to do a brisk business far into the night. The tempting menu of many kinds of sandwiches, light lunches, salads, pies and coffee and soft drinks was sampled by the many who dropped in to proffer best wishes and get acquainted with the owner of Joshua Tree's newest place to eat.

The brand new stainless steel service equipment was displayed by Sylvia, her twin daughters and her business associate, John Berger. At 11 Saturday night, the regular closing time, Sylvia was still greeting hungry patrons and not until after midnight was she able to call it a day.

Many from Joshua Tree also attended the opening of the Indian Cove Snack Bar nine miles east of town where special dinners were offered.

The Forward O. P.

Speaking of busy weekends—it kept people humping to attend all the events of Saturday and Sunday. The events on the full calendar were the Longshaw-Teeter wedding, Bob Garry's Shell station opening, the opening of Sylvia's Snack Bar, the Indian Cove Snack Bar opening and the formal opening at Dr. William Ince's new hospital in 29 Palms.

Joshua Tree has taken on a new after-dark look since Herb Longshaw, enterprising new owner of the Trading Post, started illuminating the front of the building. Practically every one on the main drag has followed suit and the effect is downright inviting. Nice going, folks.

O. D. Thomas on Yucca Mesa was visited in his slumbers by a hungry black widow spider last week. He reports that the bite she took left him a bit disconcerted.

Scores Feast at PTA Pot Luck

More than ninety hungry Joshuans filled themselves to the limit and, letting out their belts a couple of notches, went back for more last Tuesday night when the PTA entertained at a pot-luck supper at the school house. From six o'clock until seven thirty the line at the serving table continued to pick and choose among the many tasty dishes provided by the good cooks of the PTA. Because of the ball game and an ambulance meeting the regular business session of the Parent-Teachers was called off.

Thieves Blast Mines Steal Supplies

Machinery at the Virginia Dale mine east of 29 Palms was blown up and the metal scrap carted away recently, it was reported by Harry M. Hess of Morongo Valley, owner. Breaking a lock to enter the property the vandals apparently used dynamite to blow up an 11 ton compressor. The building housing it was burned. Other machinery was damaged and it too was taken away, said Hess.

While a guard employed at the mine was in town Saturday night theives again entered the property and stole groceries, bedding and tools and even took a barrel of water and a 5 gallon can of drinking water.

The owner estimated the damage at about $4,000.

Reports have also been received of several other mines, some of them in the National Monument, having been blown up and metal carried away.

Land Company Makes Changes

Minnie Tisthammer has been assigned to the Sun Valley Tract office replacing Virginia Hurling who will be at the Joshua Tree office of the Townsite Co., it was announced early this week by Chester R. Bunker, president.

Miss Tisthammer will occupy the Armstrong cottage in Sun Valley.

More Turkeys Added to Sun Valley Flocks

With the addition of 1000 poults to the Schroeder flocks last week the turkey population of Sun Valley ranches passed the 6000 mark. Bob Kroes initiated the day old gobbler babies into the mysteries of eating and drinking to start them on their 26 week growing period.

At the Kroes-Halstead ranch there are now 1000 birds 16 weeks old and another 1000 half that age. These will reach the early fall market. The A. P. Duttons have 475 that are 14 weeks old and another flock of the same size that arrived three weeks ago. The Schroeder Brothers flock now contains 400 turkeys 2 weeks old, 600 just ten days old and the 1000 mentioned above. They have another shipment of 600 ordered for delivery this week. Abel Terrazza is caring for 1100 three week old turks on his ranch. The Brahms, who recently bought the former Morris ranch, are expecting 250 in the near future.

Market reports from turkey growers associations indicate a steady depletion of cold storage supplies. The present supply is lower than it has been for several years. This, plus the expected bumper grain crop, would indicate a fine market at a good profit for the growers at the holiday markets. Growing conditions in Sun Valley, as usual, have been ideal and losses have been practically nil.

Ince Hospital Opens in 29 Palms

Last Saturday and Sunday the Thomas H. Ince Memorial Hospital was formally opened for the inspection of the public by Dr. William T. Ince in 29 Palms. The modern $100,000 hospital is a memorial to Dr. Ince's famous father, former motion picture producer.

First building of its kind in this desert region the hospital contains two 2 bed wards, private room, operating room, reception hall and corridors, chemical laboratory, nurses room, supply rooms, kitchen, examination rooms and Dr. Ince's consulting room and office. Excellent provisions have been made for reception of patients thru an ambulance port and service passage.

Situated on Adobe Road north of Four Corners the hospital contains 4,680 square feet of floor space and measures 60 by 78 feet. The exterior design blends perfectly with the desert setting and landscaping adds to its beauty. All equipment is the most modern obtainable.

Hundreds of visitors inspected and admired this fine structure and congratulated Dr. Ince last weekend.

Coulters Buy Woody's Emporium

Mr. and Mrs. John Coulter last Friday purchased Woody's Emporium from Mr. and Mrs. A. S. Wood who established the popular little store in Joshua Tree just twenty eight months ago. The Coulters bought the stock and fixtures and will lease the building on the Hiway from the owner, E. N. Clifford. The business will be carried on under the name of Coulter's Emporium.

Mrs. Coulter will operate the Emporium which offers an attractive line of men and women's clothes, notions, costume jewelry, cameras and film, leather goods and drug items. The Coulters have been residents of Joshua Tree for about three years. Mrs. Coulter lived for a while in 29 Palms. Before that she managed an apartment building in Hollywood. She announced that suggestions for additions to the merchandise carried will be welcome.

After a visit of a few weeks with their children and grandchildren Mr. and Mrs. Wood will return to Joshua Tree to make their home. Mr. Wood, more familiarly called Woody, will fly to Minneapolis this week to consult a physician and then enter Mayo's Clinic in Rochester, Minnesota, for a check up.

Before leaving the Woods spent several days at Mira Monte Courts. They stated that they wanted to express their appreciation to the many patrons who helped them make a success of the Emporium and to wish the new owners a long and profitable business career.

Mrs. Frank Cook Heads Womens Club

Elected President of the Joshua Tree Womens Club last Friday Mrs. Frank Cook accepted the gavel from Mrs. Charles A. Mitchell, retiring president. Serving with the new president for the ensuing year will be Mrs. Robert Fields, first vice president; Mrs. Henrietta Pepper, second vice president; Mrs. Gus A. Ojala, third vice president; Mrs. Harold Jost, secretary; Mrs. Edythe Fraetis, general curator. Thirty members voted at the regular annual election.

Chairmen of the Ways and Means, Welfare, Public Relations and House committees will be appointed by the newly elected president and announced at a later date.

In accepting her new office Mrs. Cook said, "I feel that under the fine leadership of Mrs. Mitchell the Womens Club accomplished much during the past year. With the help of all the members I am sure that the coming year can be a successful one for our Club and the community".

On the committee serving the cake, cookies and coffee following the election were Mrs. L. W. Laughlin, Mrs. J. Merritt Leach, Mrs. Michael Malia, Mrs. Gerald Mc Millen and Mrs. Nancy White.

Because of the augmented program planned since affiliation with the National Federation of Womens Clubs the Joshua Tree group will hold a July meeting to plan the years activities.

Longshaw - Teeter Vows Spoken

Miss Gladys Teeter and Herbert Longshaw were united in marriage last Saturday evening at the Clubhouse in an impressive double ring ceremony. The spacious veranda of the Clubhouse was beautifully decorated with gladioli, green ivy and magnolia blossoms with an arched bower under which the couple spoke their vows. Two hundred Joshuans and out of town friends of the bride and groom witnessed the ceremony.

The bride was lovely in an ankle length turquoise sharkskin dress which had a fitted bodice with a lace inset. The skirt was flared. Her off the face hat was of ruffled, white, starched lace trimmed with a turquoise veil. She wore a pearl necklace and bracelet and white gloves. The bridal corsage was of white gladiolas.

Mrs. Ralph Henry of 29 Palms, matron of honor, was attractive in an oyster shell two piece dress. She carried a corsage of gardenias.

The groom was attended by his brother, Harry Longshaw, of Los Angeles. The marriage lines were read by Rev. Albert Norton of Los Angeles.

After the ceremony the Longshaws received the felicitations of their friends and then left for a short honeymoon in Los Angeles.

The wedding cake and punch were served from a tastefully decorated table at the end of the veranda.

Before the ceremony Martel Ferris sang two solos accompanied by Mrs. May Beckwith. The wedding march was played by Miss Perla Gilbert, a guest at Desert Air Lodge.

Out of town guests included the bride's sister and family, Mr. and Mrs. Lisle Allen of San Diego, her brother Orin Teeter, Mrs. Teeter and son Jimmy of San Diego, Mrs. Mary Schultz and Bud Vawter of Long Beach, Mr. and Mrs. Gene Graves of Los Angeles, Mrs. Marian Gfeller, Forrest Strufe of Pasadena, and Mr. and Mrs. Albert Norton; the groom's brother and family, Mr. and Mrs. Harry Longshaw and son Harrison of Los Angeles.

Since the release last week by the Journal of news concerning the discovery of what is believed to be a richly mineralized area on the W. D. Jinkins property near Joshua Tree public interest has mounted steadily. Other newspapers have carried stories of the find and it is reported that radio accounts have been heard by local residents.

Throngs of curious visitors have driven around the area which is posted with notices announcing that all claims have been filed. A reliable source reported that the Bureau of Mines was interested, as it is in many dscoveries of recent times.

Kenneys Take Cubs In Loose Affair

Outplaying the Joshua Cubs in every department the league leading Kenney Drugmen maintained their top status by a score of 14 to 7 last Tuesday night at Gilpin Field. Except for two innings Tom Nicoll, pitching for the Druggists, had the Cubs eating out of his hand. The Cubs were guilty of seven fielding errors and many errors in judgment against the smooth working Kenney nine. Each team got three home runs.

After retiring the Cubs scoreless in the first the Kenneymen took advantage of hits by Hayes and Dunavant and a homer by Smith plus four Cub errors to tally five times. Some of the queerest baseball to date featured the fatal first with Nicoll forcing Phelps off third base and Phelps stealing home.

Again in the second the Cubs failed to solve Nicoll's slants. The Kenneys scored two more on two hits and a Cub error before Marble fanned Dunavant and Miller made a double play unassisted to end the frame.

In the top of the third Marble and Miller hit safely and, after Arch popped out and Leyhe fanned, Garry brot them home with his first home run. Humphreville whiffed for the third out. The Druggists came right back with two homers and a walk to score three also. Stone and Dunn got the circuit blows.

In the fourth both teams goose-egged. In the first half of the fifth stanza Marble popped out to short. Miller scored on a home run. Arch was safe on an error and Leyhe got to first on a fielders choice which Phelps juggled to let Arch get to second. Garry came thru with his second home run of the game to score three more. Again the Druggist nine took advantage of two hits and an error to score three more.

The Cubs had no more luck in the sixth and seventh. The Kenneys scored one more in the sixth when Smith tripled and came home after Harmon's catch of Phelps' long fly to left field.

For the losers Garry had a perfect night at the plate with two homers in two times up. Miller fattened his average with a homer and a single in three official times at bat. He walked once. Arch and Marble were the only other Cubs to hit safely.

Haese led the hitting for the winners with three blows and a walk for a 1,000 average. Smith hit three for four including a homer and a triple. Dunn and Stone also hit for the circuit and Fowler, Dunn and Bagley each got one hit.

Dunavant, Phelps and Haese starred in the field for the Druggists. Only two errors were committed by the winners. The Cub infield was guilty of seven fielding bobbles, Miller made a double play unassisted at second.

In the pitching department Nicoll had the edge with seven strikeouts. He walked three and gave up six hits including three home runs. Marble had a slightly rougher time of it. He struck out two and walked only one but eleven safe hits plus ragged support did the damage.

Umpiring was done by Mann calling balls and strikes, Franklin on first and Pat Lafferty at third.

Bruins Trip All Stars, 29 to 6

The Joshua Tree Bruins, the Boy's Club softball team, last Friday night took the measure of a 29 Palms all star aggregation by a lopsided score of 29 to 6. The Bruins are rapidly rounding into a fine ball team and every man is working hard in preparation for the beginning of the junior league season that starts in two weeks.

Bob Wilson and Tommy Stumfall handled the pitching assignment for the winners in masterly fashion.

Five new members were admitted to the Boys Club at its last regular business meeting. They are Don and Richard Brahm of Sun Valley, Eddie Evans and Larry and Troy Clark.

A tool cabinet and work bench have been installed for the club at the Sportsmans Hall. Material was furnished by the PTA and work was done by C. M. "Bud" Lyday, Club director.

William Roth, Joshua Tree sign painter, lettered the Club name on the cabinet for the boys.

Director Lyday is seeking two men who can assist in the training program for the Boys Club. The craft activities planned have aroused a great deal of enthusiasm among the members and anyone who can help will be welcomed.

The Lafferty Wildcats kept the Character Roomers out of the win column last Wednesday by taking a close game 10 to 7. A 7th inning rally by the losers was nipped ofter three runs came across the home base. Pierce pitched for the Wildcats and Berryhill for Marks.

The Broiler with Ryan pitiching in rare form routed the slipping Oilers last Thursday night by a score of 28 to 5. The Oilers helped along the winners with numerous errors. Ryan sizzled plenty of third strikes past the Oilers and his teammates played air tight ball behind him. Mann and Cullens did the heaving for the losers.

A GROWING INDUSTRY

Almost over night a new industry has developed in our neighboring community of Sun Valley. Beginning with one small flock of turkeys only three years ago Sun Valley growers have added more and more to their holdings until now there are nearly seven thousand of the mammoth birds on several ranches.

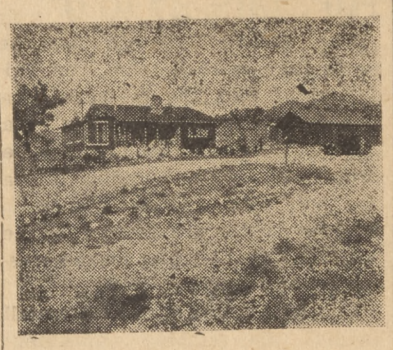
The possibilities for expansion of this industry are unlimited. The excellent conditions that prevail at Sun Valley make turkey rasing much less hazardous than it is in other parts of the country where excess moisture and extremes of temperature contribute to heavy losses.

With the addition of electric power it will be profitable for local growers to maintain breeding flocks and to incubate eggs at home instead of buying from other sources. Quick freeze units can be installed and Sun Valley turkeys prepared for market. It is not too soon to plan for all these developments.

A self sustaining industry with the attendant possibilities of good profits and employment for others is a decided asset to our fine desert area.

Lowly Philosophy

By JUNE LeMERT PAXTON



THE JOSHUAS

Today I am thinking of a family that I have known for years. The name does not matter, for you, too, know just such a home. The social and financial status of this family is of no consequence, yet they are the envy and admiration of many people. No doubt you have shared their dinner when the food was meager and simple. You have spent an evening there when games or light conversation constituted the only entertainment. You try to analyze why you enjoy going there; you try to discover the secret of their many friendships; but you already know the answer: it is the peace and the harmony that fill every nook and cranny of the place; you know it is the honesty and the simplicity in the heart of every member of that household.

A village or a community is just a big family group. That same evidence of honesty and simplicity is what causes the guests to return; and return they will, though simple be the fare, if the spirit of wholesomeness is abiding there!
